Vol. XXXVI. UKIAH, MENDOCINO COUNTY, CALIFORNIA, JUNE 23. 1911 Number 1

DRYS SATISFIED WITH CONDITIONS

A conference of the workers of the anti- saloon league work met at the Christian church here Monday afternoon, D. M. Gandier, legislative superintendent, was present to represent the state league. Representatives were present from the towns of Willits and Ukiah, from the second supervisorial district, Little Lake valley and Round valley, also from Caspar and Mendocino.

It was agreed that the citizens of the coast could best conduct their campaign and judge of the conditions there. It was found that sufficient signatures had nearly been secured already in Willits and Ukiah to call the election, and that good progress was being made in the unincorporated part of the first, second and third supervisor districts. No reports were in from Fort Bragg, Point Arena or the fifth district.

The temperance people seem satisfied with the conditions in Potter valley and unincorporated portions of the fourth district, the former having been dry many years and the latter mostly dry for two years. The people from Mendocino and Caspar were well pleased with the advise of the district attorney and the ruling of the board of supervisors that the ordinance of the county still holds, as this keeps their neighborhoods dry until the wets force an election under the state law.

FLOATS WANTED FOR PARADE

The float committe for the fourth of July parade invite and urge all the fraternal organizations and any other organizations to prepare floats to enter the parade. It is impossible for this committee to build and decorate all the floats desired for the parade and it is absolutely necessary for the fraternal organizations in Ukiah to participate to make this a success. The committee offers three prizes of twenty-five and fifteen and ten dollars for the best floats entered in the parade. Also the committee offers ten dollars to all organizations who prepare a float to help cover the expence of preparing the same. All organizations expecting to be represented in the parade should communicate with the chairman of this committee, L. Avalon Brown.

U H S GRADUATING EXERCISES

Thursday, evening, June 29 the graduating exercises of the class of 1911 will be held in the Baptist church. The members of the class will give their graduating theses, following which John L. McNab will deliver the commencement address. Mrs. W. R. Smith and Mrs. J. A. Migliavacca of Napa will assist in the musical part of the program. Tickets of admission may be obtained from the principal, from the members of the class, and at the county superintendent's office free gratis, for nothing. They are not to be sold for the benefit of the Fourth of July fund.

BANK IN GOOD CONDITION

In another column will be found the statement of the Bank of Ukiah. The figures show that the bank is in a healthy condition and that it has the usual large number of deposits. It is an old and substantial institution and amply able to take care of all its patrons.

YOUNG COUPLE WED IN UKIAH

On last Sunday Miss Bessie C. Boag and C. E. Jacobson of Los Angeles were married in this city by Rev. Moore. After spending several days in town the happy young couple left for Oakland. The groom was 18 and the bride 16 and it is probable that they are the youngest couple ever wedded in this county. The parents of both the contracting parties accompanied them.

STREET ROLLER ARRIVES

The small roller for use in putting down the binder asphalt on the streets arrived Wednesday night and work with it was commenced yesterday morning. Superintendent Reinhardt states that the streets will now be finished in ample time for the fourth of July celebration.

AERONAUT MAKES FINE ASCENSION

T. J. Godfrey, the aeronaut, made a very successful balloon ascension at the race track Sunday morning. Mr. Godfrey succeeded in reaching an altitude of 3400 feet and made a beautiful parachute drop landing safely. He handled the balloon and the parachute in such a manner that there can be no doubt that he is an expert at the job. In fact the ascension entirely cleared his reputation for the unfortunate occurrence at Riverside the week before.

Despite the fact that it looked windy in the morning and while the balloon was being inflated the wind came up a little it calmed down again and when the monster balloon containning 50,000 cubic feet of gas was properly inflated there was scarcely any breeze and it soared away to the south east and when the balloon was at the highest point he looked no larger than a spider. He expected to try for a higher altitude but the atmospheric conditions were not favorable and he did not cut loose from the balloon until it had commenced to settle. In all ways the ascension outclassed anything in the line ever seen in this city and will long be remembered.

Owing to the early hour only about 200 persons were at the ground and the crowd was not nearly as large as it should have been. Mr. Godfrey was satisfied however as he demonstrated that he was not afraid and that he was not a fakir. It has been suggested that the committee secure him to make another ascension on the 4th of July and it is to be hoped that satisfactory arrangements can be made as a good balloon ascension would certainly be a big drawing on the 4th program.

SAVINGS BANK OF MENDOCINO COUNTY

On another page appears the statement showing the condition of the Savings Bank of Mendocino county. The first and only savings bank in Ukiah it has demonstrated that the people of Ukiah are thrifty and are putting by a competence for a rainy day. The amount of deposits and the condition of the bank is gratifying to those doing business with that institution.

POAGE & FORD ISSUE LIST OF PROPERTY

The Press Job Department has been busy this week issuing a handsome folder for Poage & Ford advertising their realestate business. Besides a description of Mendocino county and Ukiah it contains a list of several hundred pieces of property which they have listed. These folders will be sent through the east and in fact all over the world to people writing regarding Mendocino property. This enterprising firm is to be congratulated on their enterprise and will undoubtedly interest a great many prospective residents by their efforts.

WILL PAVE COURT HOUSE SQUARE

The board of supervisors and the citizens of Ukiah have solved the problem of paving around the court house square to the satisfaction of everyone. The town has agreed to pay $500 toward the job and the supervisors have agreed to do the remainder of the work. Work will now be rushed on the job and in a few weeks the streets around the Mendocino court house will be as fine as any in the state. The improvement is one of which the county should be proud.

ROBBERS ENTER HOUSE

(Press' Special Service)

HOPLAND, June 21—Robbers entered the Morrel residence during the absence of the family last Sunday night and many valuables were taken. The highwayman forced an entrance through a window and left no clew for the officers to work on.

FORT BRAGG PEOPLE WED

Mrs. Belle Starr and Tom Shelton of Fort Bragg were wedded Tuesday night at the residence of Mr. and Mrs. Ed Porter. Judge Frank Wilson performed the ceremony.

Fortune in Gifts Given Away by Ukiah Press

Greatest Subscription Contest in the Hisiory Of this Part of the Country.

What is designed to be the greatest newspaper subscription contest in the history of this part of the country, has been started by the Republican Press. As the readers of the Press have observed, the paper has made the preliminary announcement relative to the contest. The capital gifts, $600, the second gifts, $200. The city and county have been divided into two separate districts, making the whole city of Ukiah one district, and the whole of the outside one district. This way the city is not competing with the country or the country is not competing with the city. We have two capital gifts of $300 cash each one for the city of Ukiah, and the other $300 cash for the district on the outside, the second gift in each district $100 cash, the third in each district, a handsome gold watch, and other gifts will be awarded also, the Diamond rings, and more watches.

Although the announcement has just been made, already great interest is manifest in the contest, and this interest will grow rapidly. There has not been a subscription contest of any magnitude in this section before.

The contest is not for our financial gain. The money actually extended will be so great that we do not expect profits. It is not a money making scheme. The idea in view is to increase the circulation. When you boost the Republican Press, you boost Ukiah at the same time. In this contest you have an opportunity to work for friends who are in the race for the various gifts.

ALL HAVE EQUAL SHOW

The contest will be run according to the manner in which the paper is operated—a square deal for all. Fairness to all is the Rebublican Press policy, and every feature in connection with the contest will be safeguarded and every candidate treated exactly alike. All ballots voted will be on file and careful record kept of the same. It will be open to inspection.

FURTHER PRELIMINARIES LATER

Further details will be published from time to time. Read the Republican Press each week.

PASTRY WANTED FOR THE FOURTH

The Fourth of July barbecue committee held a meeting on Tuesday evening and completed plans for the big feed in Todd's grove on the Fourth. C. W. Mathews reported some progress with raising the money but was still considerably short of the amount needed to conduct this barbecue as it should be.

Since this celebration has been so widely advertized it is up to Ukiah not to disgrace herself.

The committee decided that we should have about 1000 pies and cakes. Since there is not money enough to buy them the only way to secure this number seems to be to get the good ladies of the town to bake them.

The town has been divided into four districts bounded by the crossing of Perkins and State streets. The portion to the south west of this crossing was designated as district No. 1, the north west portion No. 2, and the northeast portion No. 3, and the southeast portion No. 4. The following names were then suggested as a committee of ladies to solicit the cake and pie. District No. 1, Mrs. H. B. Smith, Miss Jocie Ames, Mrs. Gus Poage, Mrs. C. D. Flowers, and Mrs. Rob't McGarvey; District No. 2, Mrs. Dr. Gibson, Mrs. Wash Bailey, Mrs. Mont Cleland, Mrs. Geo. Jamison, Mrs. James Jamison; District No. 3, Mrs. Wm. Hagans, Mrs. Monty Banker, Mrs. Frank La Porte, Mrs. Clyde Brewer, and Mrs. C. H. Duncan; District No. 4, Mrs. Lewis Anker, Mrs. Ollie Cleveland, Mrs. Mehring, Mrs. Geo. Hamer, Mrs. Grace Hudson, Mrs. T. A. Lucas, and Mrs. C. B. Hopkins.

It is requested that these ladies get together as named for each district and make a house to house canvass, keeping a list of who will make pies or cakes. The committee will provide a wagon to gather up these pies and cakes on the morning of the Fourth. That is why we need the list.

In this connection we report that the committee earnestly request every lady in town to prepare a pie or cake or both.

MAKE WOMEN VOTE URGES GAVIN M'NAB

Gavin McNab, one of the most prominent attorneys of San Francisco, has taken a stand for equal suffrage, and not only that but he declares that women should be compelled to vote whether they desire it or not.

At a meeting of the Commonwealth club Mr. McNab delivered an address in which he said in part, "Women should be decreed suffrage regardless of their wishes. The world requires full service from all. The hope of mankind depends upon the members that bear its burden and there is work for all."

"Give women political rights and they will improve and broaden with responsibility, and these will be used properly. The ballot for women will increase the intelligence of mothers and make better homes which means improved men as well as finer women."

NEW OIL MAGNATE ARRIVES

Mr. and Mrs. Wililam York arrived Wednesday night from Long Beach and will spend a few days visiting their friends. Bill is now commonly hailed by his friends as Oily Bill and John D. jr. but he is still the same old Bill with a smile and hearty hand shake. He says that the Maricopa Queen oil company is in fine shape and that another well is being put down. The company has contracted their oil for 45 cents a barrel and paid a dividend of one cent a share in May.

DEATH OF MRS WILLIAM ORR

Mrs. Wililam Orr died in San Jose June 19th. Mrs. Tom Orr of this city was called to her bedside and the bereaved husband was summoned from Montana. G. R. Scott, a brother, was also called to San Jose. The deceased was a very estimable woman and leaves a host of friends in this county to mourn her loss.

FARMERS WILL ALL ATTEND BARBECUE

Plans have been completed and the meat is ready for the big barbecue to be given by the Farmers club at Clark's grove Saturday, June 24th. Every farmer in the valley should be present at this barbecue as some excellent lectures will be given on subjects of interest to them and everyone will have an opportunity to become acquainted with his neighbor and get new ideas on important subjcets.

In the morning there will be a horse show, and all of the pedigreed stallions in the valley will be on exhibition. Fifty coops of thoroughbred chicknes will also be on display and everyone will talk horses and chickens. The farmers club are taking a great interest in the horses and the poultry men will display their best chickens.

In the afternoon there will be a barbecue and speaking by prominent men of the state. LeRoy Anderson a member of the University of California faculty and manager of the Univeristy farm will give a lecture, a talk will also be given by L. C. Byce, inventor of the Petaluma Incubator, the first mechanical hatching machine placed on the market. S. H. Beckett of the department of agriculture will speak on Irrigation in the Ukiah valley. All of the lectures promise to be interesting and every farmer in the valley is earnestly urged to be present.

FEW SALES ARE REPORTED

Only a few sales were reported at the Ukiah wool sale Tuesday at the Ukiah Warehouse company's warehouse. There were about 450 bags of wool received and about half of that number were sold. The prices ranged from 14 to 17 ½ cents, 16 cents being the average price payed by the buyers, for the years clip.

NEWS FROM THE JAIL

Business is rather dull at the county jail at the present time. Sheriff Ralph Byrnes is in the northern part of the county on official business and Under Sheriff Hagans is attending to the duties in the office. There are now only 5 men serving time, which is the smallest number since the present officials took office. Mrs. Isabella Owens was arrested the first of the week by Under Sheriff Hagans and was committed to the Mendocino state hospital. Chas. Stolp was brought over from Point Arena by Officer Miller and will be examined in the superior court by Judge J. Q. White as to her sanity.

Bruce Evans are proving very successful and that a number have been received in the church. Evangelist Evans is an interesting and earnest speaker and is having large crowds at his services. Meetings are being held every afternoon at 2:30 and in the evening. Childerns' meetings are held at 3:30 in the afternoon.

TRUSTEE EWERT PASSES TO REST

City Trustee A. H. Ewert died yesterday evening at San Jose. The remains will be brought to this city today and the funeral will probably be held Sunday. The deceased came to this city a number of years ago and has always been popular and public spirited. For some time past he has been in poor health but kept to his business with remarkable perserverance and energy and it was only about three weeks ago that he consented to go to a hospital. The bereaved widow and two daughters survive him to mourn his loss and share the sympathy of the community.

Miss Luhrman, chief operator in the local telephone office, was called to Santa Rosa yesterday to take the place of the chief operator there who is ill. During Miss Luhrman's absence Mrs. Frank Roberts will fill the position of chief operator in the local office.

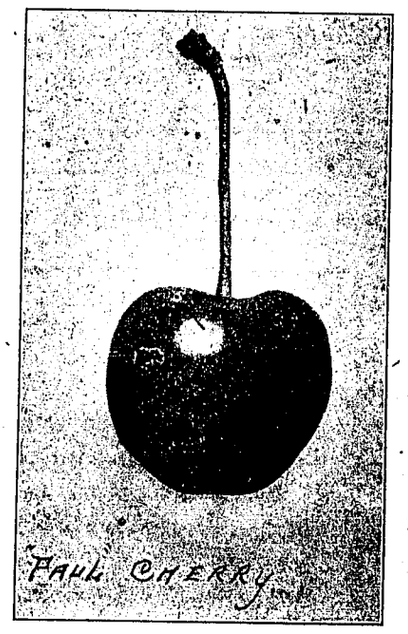
THE PAUL CHERRIES WILL SOON BE RIPE

E. W. Gould brought in a splendid box of Paul cherries this week and has them on exhibition at C. Hofman's store. Last year he shipped the entire crop to New York to prove their shipping qualities, part of them being shipped in refrigerator cars and part in open express. One box which had been on the road 24 days was then shipped to Prof. Wickson of the University of California and he pronounced them still in first class condition and one of the finest shippirg cherries he had ever seen.

The cherries that were shipped in



open express arrived in New York in as good condition as the ones shipped in refrigerator cars and brought 45 cents a pound at auction. Owing to the shortage of the crop this year Mr. Gould has decided to sell them in the local market. Parties desiring to ship cherries to friends should leave their orders either at C. Hofmans or Hales. They are the finest thing in the cherry line you ever saw.

Mr. Gould will also have a limited amount of the Old Thompson black berry for canning. They will be on the market next week. Orders for them should also be left with C. Hofmans or Hale.

Mrs. Elizabeth Chalfant is spending a few weeks at Orrs.

MANY ENTRIES IN RUN TO GEYSERS

There were eighty-nine entries in the start in the Bulletin's Good Road's automobile endurance run from San Francisco to the Geysers last Saturday, including those which were added at San Rafael and Sonoma county, and all of the eighty-nine finished within the time limit.

A telephone message to the "Press" received at 10:30 Saturday evening from J. E. Kavanagh, automobile editor of the Bulletin, says that the roads are in very good condition, especially from Santa Rosa to the Geysers. Mr. Kavanagh also states that the entire run, from start to finish, was a great success.

The first prize was won by A. J. Smith in an Elmore car and the second prize, a week's stay at the Geysers, offered by the Bulletin, was won by Mrs. John L. Fox, who drove a Ford car.

The first ladies' prize, silver cup offered by the St. Germain Restaurant of San Francisco, went to Miss Rose Hardin of San Francisco who drove her Apperson Jack Rabbit car, while Miss Margaret Lindsey of Santa Rosa won second prize in her Buick.

MICHELIN TWINS AT CONEY ISLAND

After an active season last year at Atlantic City and other resorts the Michelin Twins have taken up their residence at Coney Island, New York's famous amusement resort, and seem to be as much at home there as in their native France. The twins are the chief attraction and perform daily to thousands of visitors.

The Michelin Tire company enjoys a world wide reputation for its novel methods of advertising, and while the leading newspapers in every country of the globe where cars are used are the chosen mediams for reaching the people, the company occasionally puts over talk prevoking stunts like the twins to attract attention where visitors are too busy pleasure seeking to read or think unpecessarily.

THE I S C COMMENCEMENT

A large crowd witnessed the exercises and a neat sum was netted for the benefit of the music committee of the 4th of July celebration, which will be used in employing the ladies band for the 4th.
